

WOOLGOOLGA TO WELLS CROSSING UPGRADE

Community Information Session

Planning for this project is funded by the NSW State Government.

Investigations have commenced into a proposed upgrade of the Pacific Highway between Woolgoolga and Wells Crossing, a distance of approximately 28km. This upgrade would greatly improve safety and travelling conditions on this section of the highway.

The community is invited to attend an information session to meet the study team and find out more about the project, as well as provide feedback on any issues or suggestions about the proposed upgrade. Details are as follows:

Community Information Session
29 November from 7 pm to 9 pm
Yarrowarra Large Conference, 70 Red Rock Road, Corindi Beach.

A **Community Liaison Group (CLG)** will also be formed to assist the project team with the investigations. This group will meet regularly and is an important way in which the community can provide input into the development of the project. The closing date for CLG nominations is **Thursday 9 December 2004**. If you are interested in being involved, or wish to know more about the CLG, please contact the project information line on 1800 154 724.
